Misaki Hata, Masato Suzuki, and Tomoyuki  
Yasukawa

Selective Trapping and Retrieval of Single  
Cells Using Microwell Array Devices  
Combined with Dielectrophoresis

*Analytical Sciences*, 2021, 37(6), 803-806

The Editorial Board is delighted to announce the  
“Best-Paper Award for Analytical Sciences-2021”.  
The paper for this distinction was selected from  
“Hot Articles” appearing in 2021, and was  
determined by the editorial board members.

Takeshi Hasegawa  
The Editor
